INNER JOURNEY HEALING ARTS CENTER Out Patient - Counseling

"Treating Body, Mind, & Spirit"

Are you tired of clients missing so many healing opportunities?

Be part of a cutting edge progressive team that helps transform people's lives.....

We are looking for a progressive, out of the box thinker where your, creative vision matters to building a dynamic successful agency.

What techniques/skills/training have you always wanted to bring to your current program but were limited by policies.

we value your expertise and experience on techniques/modalities that work and truly help people heal long term, not just a band-aid approach. Practitioners that are passionate in the Behavioral healthcare field that truly want to see changes that help support their client's healing long term.

What kind of program would you truly like to see in the behavioral health care field?

HEALING FROM THE INSIDE OUT

OUR MISSION

Inner Journey Healing Arts is a safe and sacred place for adults and children to heal from domestic violence, trauma, addiction, and behavioral health issues.

We focus on treatment areas such as Family of Origin, Grief & Loss, Post Traumatic Stress Disorder (PTSD), and similar areas of distress.

We use a variety of *Wholistic* therapies to empower clients to heal and recover, including Expressive Arts, Counseling, Music Therapy, Naturopathic Medicine, PEER Support, Acupuncture, and evidence-based modalities.

These powerful methods have demonstrated positive results in assisting clients who are struggling with Behavioral health or emotional issues to integrate Body, Mind, and Spirit.

Inner Journey Healing Arts provides Traditional/Alternative counseling for individuals in addiction recovery, emotional and health issues.

We are a Behavioral Health Outpatient looking to Contract with a Mental Health Professional. LCSW, LPC, or LMFT. Enhanced credentials can be: CADCI, CADCI, Behavioral Analyst.

We have a unique approach, Person-Centered and we have gender specific programs. We do EBT, DBT, traditional and complimentary best practices.
